

# SEAL-OF-LEGITIMACY

**THIS EVENT IS AVAILABLE BOTH IN-PERSON AND ONLINE  
DATES: JANUARY 14-16, 2026 | ABU DHABI, UAE**

The **5th World Neuroscience, Neurology, and Brain Disorders Summit** aims to advance the global neuroscience and neurology ecosystem by bringing together the brightest minds in neuroscience, neurology, and brain disorders under one roof.

Over the course of three days, we will drive meaningful progress in the field by showcasing innovative solutions to present-day challenges affecting neuroscience and neurology worldwide. This summit will serve as a platform for collaboration, knowledge exchange, and groundbreaking discoveries that shape the future of brain health.
